NS Pro activation NSPro

NS PRO activation lets you use the newest NS PRO updates. It is required if your box was registered more than 1 year ago.
To activate we need your Card ID (Axalto e-gate).
This service is provided via e-mail.
Please as S/N type in Axalto e-gate number which you can read only using NS PRO application. It is not a serial number from label !

When activation is expired before You open NS PRO application You will see a message:
Connected to server
Activation expired! Contact your reseller. Your card ID is xxxxxx.
Disconnected from server
